

LAWYERS WEEKLY Index

Massachusetts Edition/July 12, 1993

Index Issue — January - June 1993

With this issue, Lawyers Weekly continues its practice of publishing a semi-annual index to the cases and news stories that have appeared in the paper.

The index is divided into three parts:

■ **Case Name Index.** This index lists all court and agency decisions which were digested in Lawyers Weekly during the first six months of 1993. The cases are indexed alphabetically under the court or agency which issued the ruling.

■ **Case Subject Index.** This index also lists all decisions which were summarized

in Lawyers Weekly during the first six months of 1993. However, here the cases are listed by specific subject matter under more general subject categories.

■ **News Story Index.** This index covers the news stories and features (except meeting notices and other dated material) which appeared in Lawyers Weekly during the first half of 1993. The stories and features are listed by title under the section of the paper in which they were originally published. Included in this section are Trial Reports, which contain information about

cases provided by attorneys involved.

All three parts of the semi-annual index contain references to the date of the issue in which the case or story appeared and cumulative page (citation) on which the item appeared.

Space considerations make it impossible to include in this index all information contained in Lawyers Weekly during the last six months. Therefore, it is hoped that readers will continue to consult the paper each week in order to remain fully informed.

Our Philosophy Continues to be Automation Without Complication

What Is A 'Lawyers Weekly No.'?

The Lawyers Weekly No. is a seven-digit number which our editors assign to each case we receive from Massachusetts courts and agencies.

■ The first two digits of the Lawyers Weekly No. correspond to the court or agency which issued the decision. (For example, a Lawyers Weekly No. beginning "01" is from the U.S. Court of Appeals.)

■ The middle three digits relate to the number of cases received from that court or agency in the relevant calendar year. (For example, a Lawyers Weekly No. beginning with the digits "01-372" refers to the 372nd case received that year from the U.S. Court of Appeals.)

■ The last two digits are the year in which the case was issued. Most cases in this index have a Lawyers Weekly No. ending with the number "93." However, a few cases which were issued in late 1992 and not published in Lawyers Weekly until 1993 end in "92."

What Is A 'Lawyers Weekly No.'?

The Lawyers Weekly No. is a seven-digit number which our editors assign to each case we receive from Massachusetts courts and agencies.

■ The first two digits of the Lawyers Weekly No. correspond to the court or agency which issued the decision. (For example, a Lawyers Weekly No. beginning "01" is from the U.S. Court of Appeals.)

■ The middle three digits relate to the number of cases received from that court or agency in the relevant calendar year. (For example, a Lawyers Weekly No. beginning with the digits "01-372" refers to the 372nd case received that year from the U.S. Court of Appeals.)

■ The last two digits are the year in which the case was issued. Most cases in this index have a Lawyers Weekly No. ending with the number "93." However, a few cases which were issued in late 1992 and not published in Lawyers Weekly until 1993 end in "92."

Case Subject Index

What Is A
'Lawyers Weekly No.'?

The Lawyers Weekly No. is a seven-digit number which our editors assign to each case we receive from Massachusetts courts and agencies.

■ The first two digits of the Lawyers Weekly No. correspond to the court or agency which issued the decision. (For example, a Lawyers Weekly No. beginning "01" is from the U.S. Court of Appeals.)

■ The middle three digits relate to the number of cases received from that court or agency in the relevant calendar year. (For example, a Lawyers Weekly No. beginning with the digits "01-372" refers to the 372nd case received that year from the U.S. Court of Appeals.)

■ The last two digits are the year in which the case was issued. Most cases in this index have a Lawyers Weekly No. ending with the number "93." However, a few cases which were issued in late 1992 and not published in Lawyers Weekly until 1993 end in "92."

What Is A
'Lawyers Weekly No.'?

The Lawyers Weekly No. is a seven-digit number which our editors assign to each case we receive from Massachusetts courts and agencies.

■ The first two digits of the Lawyers Weekly No. correspond to the court or agency which issued the decision. (For example, a Lawyers Weekly No. beginning "01" is from the U.S. Court of Appeals.)

■ The middle three digits relate to the number of cases received from that court or agency in the relevant calendar year. (For example, a Lawyers Weekly No. beginning with the digits "01-372" refers to the 372nd case received that year from the U.S. Court of Appeals.)

■ The last two digits are the year in which the case was issued. Most cases in this index have a Lawyers Weekly No. ending with the number "93." However, a few cases which were issued in late 1992 and not published in Lawyers Weekly until 1993 end in "92."

If a lawyer who represents himself has a fool for a client . . . What about the lawyer who "insures" himself?

A surprising number of lawyers take their chances when it comes to legal malpractice protection.

Often the argument is price. But—for a lawyer buying his first legal malpractice policy—the Lawyer's Protector Plan can cost as little as \$591 per year for \$1,000,000 in coverage. And financing at attractive rates is an automatic option.

The Lawyers Protector Plan is broad, custom crafted coverage for lawyers . . . backed by CNA Insurance Companies, a leader in professional liability insurance . . . who has been insuring lawyers across the country against malpractice for more than 30 years.

Today, the plan—underwritten by Continental Casualty Company, one of the CNA Insurance Companies—protects thousands of lawyers with a powerful policy, an extraordinary financial ability to pay claims . . . and unequalled claims expertise.

Find out how reasonable your premium can be.
